STUDENT / CONTRACTED STAFF

ORIENTATION CHECKLIST

Revised 2/2013

All students / contracted staff members are expected to carefully review the orientation powerpoint. Be sure to have any questions answered by your instructor or site supervisor prior to beginning your experience here at AMCMC.

You will need to complete the following orientation documents:

- Orientation checklist
- Minimum Use of Information form
- Confidentiality agreement

I verify that I have viewed and understand the information presented in the orientation powerpoint including the following topics/items:

- Abuse – recognition and reporting
- Age Specific Care
- Appearance
- Aurora Health Care Mission, Vision and Values
- Blood borne pathogen exposure control
- Chemotherapy Precautions
- Confidentiality – HIPAA
- Diversity & Sensitivity
- EMTLA
- Identification badges
- Incident and Incident reporting
- Infection prevention
- Isolation Precautions
- OSHA Bloodborne Pathogen training
- OSHA - MSDS
- Patient Experience – Service Commitments
- Patient Rights
- Resource information
- Safe Haven for Newborns
- Safety
- Waste Disposal and Recycling
