AURORA SINAI MEDICAL CENTER
STUDENT PARKING

Access and parking for groups participating in student clinical programs at Aurora Sinai Medical Center:

- **Clinical instructors** will be asked to provide Loss Prevention Services with a list of the names of students who will need access to clinical areas within the medical center, as well as a parking assignment. Instructors may send this information to ASMC Loss Prevention via fax at (414) 219-6846. Loss Prevention Services requests at least 72 hours notice so we can have the materials ready to give to the students. Instructors may also call Loss Prevention Services at (414) 219-6999 to make arrangements. Parking assignments will be given out by Loss Prevention.

- **Parking** - Watch for restricted parking areas. Please remember to secure all valuables (e.g. cell phones, packages, and clothing). Do not leave valuable items within view. **Since campus parking is very limited, carpooling is encouraged. Please do not park in reserved parking spaces.**

- **Escorts** – Loss Prevention Services staff are available to escort students and staff. Please call 219-7014 to arrange for an escort.

- **Milwaukee Public Transit** – The #12, and # 31 bus stops are located on the corner of 12th & Kilbourn, 12th & State, and 12th & Highland.

- Please call the Loss Prevention Services office at (414) 219-6999 or our 24-hour Central Monitoring Station at (414) 219-7014 for assistance. Office hours are Monday-Friday from 7:00 a.m. until 3:30 p.m. and are subject to change.
